Mr. Dave Perry

Cambridge, Ohio 43725

Dear Mr. Perry:

On March 20, 2007, I conducted a complaint investigation at property you own along Wheeling Avenue in Cambridge, Ohio. At the time of my visit, no one was available at the site. While at the site, I observed construction and demolition debris (C&DD) and solid waste dumped over the hill toward the rear of the property. Evidence of open dumping of solid waste and illegal disposal of C&DD waste was observed at multiple locations along Wheeling Avenue. After viewing the multiple sites, I attempted to speak with you by stopping at your place of business. Upon my arrival, the receptionist indicated that you were unavailable. I left my business card with the receptionist and asked her to have you contact me. To date I have not been contacted.

Based on my observation at the time of this visit, you are in violation of open dumping of solid waste and illegal disposal of C&DD waste. Open dumping of solid waste and illegal disposal of C&DD waste are violations of Ohio Administrative Code (OAC) and the Ohio Revised Code (ORC). Specifically:

ORC Chapter 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC Rule 3745-27-05(C) - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person(s) responsible for the open dumping, the owner of the property, or the person(s) who allow or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734. of the Revised Code, and shall submit verification that the solid waste has been properly managed.

OAC Rule 3745-400-04(D) - No person shall conduct or allow illegal disposal of construction and demolition debris.

Please respond to me, in writing, within 15 days detailing your intentions and actions taken to comply with Ohio's solid waste and C&DD regulations and laws.
