Mr. Dave McCleery
Spectrum Metal Finishing, Inc.
535 Bev Road
Youngstown, OH 44512-6490

Dear Mr. McCleery:

On November 20, 2009, the Ohio Environmental Protection Agency (Ohio EPA) received Spectrum Metal Finishing's (Spectrum) response to the Agency's October 21, 2009 notice of violation letter. Spectrum submitted the following documentation: hazardous waste manifests, updated job titles/descriptions, photographs, inspection logs, and waste profile information.

Ohio EPA's review of this documentation reveals that Spectrum has abated all violations discovered during the October 6, 2009 inspection.

Should you have any questions, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the DHWM's web page at <http://www.epa.state.oh.us/dhwm>

Sincerely,

Wade Balsler
District Representative
