Hazardous Waste  
**Return to Compliance**

June 7, 2010

Mr. Spencer Wendelin  
Maumee & Western Railroad Corp.  
4301 N. Western Avenue  
Connersville, Indiana 47331

Dear Mr. Wendelin:

Thank you for your March 29 and May 28, 2010, responses to Ohio EPA's December 10, 2009, Notice of Violation (NOV) letter. You submitted documentation including a photograph of a properly labeled spent universal waste lamp container and a plan for properly managing your spent lamps. You also submitted the names and addresses for two contractors that provide waste services to Maumee and Western Railroad Corporation in Defiance, Ohio.

My review of this documentation reveals that Maumee and Western Railroad Corporation has adequately demonstrated abatement of the violation of **OAC Rule 3745-52-11** discovered during my November 12, 2009, inspection. Please note, however, that Maumee and Western Railroad Corporation has other past violations which must be abated.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North  
District Representative  
Division of Hazardous Waste Management
