To Whom It May Concern:

Ohio EPA has received a complaint of illegal disposal of solid waste and demolition debris at property you own or control on Township Road 117 in Lawrence County, Ohio. Site inspections conducted on March 29, 2011, and again on May 18, 2011, indicate ongoing illegal disposal of solid waste and demolition debris. I have enclosed tax records from the Lawrence County Courthouse for your reference.

Disposal of solid waste and demolition material at this location is a violation of Ohio's open dumping law. Specifically:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734, of the Revised Code, and shall submit verification that the solid waste has been properly managed.

OAC Rule 3745-400-04(B) - No person shall conduct or allow illegal disposal of construction and demolition debris, as defined in rule 3745-400-01 of the Administrative Code.

I would like to discuss this matter with the appropriate official from your institution. Please contact me at 740/380-5219 to discuss this issue.

Sincerely,
