Ms. Georgia McNelly  
619 County Road 56  
South Point, Ohio 45680

Dear Ms. McNelly:

The Southeast District Office of the Ohio EPA received a complaint complaint that open dumping and open burning of solid waste is occurring on your property located adjacent to County Road 56, in Lawrence County, Ohio.

I conducted an inspection of the property on April 15, 2009. I met with you on this day to discuss the open dumping and open burning. I observed solid wastes dumped and burned on the banks of the creek and I observed wastes in the creek. You stated that the open dumping and burning of solid waste was from the mobile home that you rent to your daughter Carnella Adkins.

Open dumping and burning of solid waste is a violation of Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745-27 of the Ohio Administrative Code (OAC).

Specifically:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734, of the Revised Code, and shall submit verification that the solid waste has been properly managed.

ORC 6111.04(A)(1) - No person shall cause pollution or place or cause to be placed any sewage, sludge, sludge materials, industrial waste, or other wastes in a location where they cause pollution of any waters of the state.

Open dumping and burning of solid waste must cease immediately. All solid waste disposed at the described location must be removed from the property and taken to a licensed solid waste disposal facility or recycled. Obtain copies of receipts from the landfill or recycling facility that received the waste and provide those copies to this district office in order to document your compliance. Please respond to this district office within ten days of receipt of this letter to inform me of your intentions and actions regarding the open dumping and burning. I suggest that you obtain the services of a registered waste hauler to assist you in your waste management.

Compliance with the requirements outlined in this letter, or the solid and infectious waste provisions contained in ORC Chapter 3734 and the rules promulgated there under, does not relieve the owner of his obligation to comply with other applicable State and Federal laws and regulations.

Should you have questions, please contact me at (740) 380-5246.

Sincerely,

Clint Shuff, R.S.
