Mr. Randall Alberts
8130 County Road 1, Lot 17
South Point, Ohio 45680

Dear Mr. Alberts:

The Southeast District Office of the Ohio EPA has received a complaint that illegal disposal of demolition debris is occurring on property at 5375 Buffalo Creek Road, in Lawrence County, Ohio.

I conducted an inspection of the property on April 9, 2008, and observed demolition debris (insulation) on the property. The insulation is blowing off of a mobile home on the property that is being razed. Property records obtained from the Lawrence County Courthouse indicate that you are the property owner.

Illegal disposal of demolition debris is a violation of Chapter 3745 of the Ohio Administrative Code (OAC).

Specifically:

OAC 3745-400-04(B) - No person shall conduct or allow illegal disposal of construction and demolition debris.

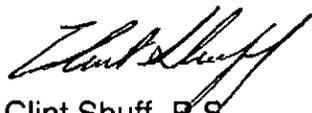

Illegal disposal of demolition debris must cease immediately. All demolition debris disposed at the described location must be removed from the property and taken to a licensed solid waste disposal facility for proper disposal. Obtain copies of receipts from the landfill that received the waste and provide those copies to this District Office in order to document your compliance. Please respond to this District Office within fifteen days of receipt of this letter to inform me of your intentions and actions taken regarding the open dump.

Compliance with the requirements outlined in this letter, or the solid and infectious waste provisions contained in ORC Chapter 3734 and the rules promulgated thereunder, does not relieve the owner of his obligation to comply with other applicable State and Federal laws and regulations.
