Dear Mr. Dickess:

The Southeast District Office of the Ohio EPA conducted a follow-up inspection of the complaint that illegal disposal of demolition debris is occurring on your property located off 2<sup>nd</sup> Street, on the banks of the Ohio River in Hanging Rock, Lawrence County, Ohio.

I conducted an inspection of the property on May 27, 2009. I observed that you have removed the demolition debris illegally disposed on the banks of the Ohio River. The demolition debris included plywood and wood studs. I received waste receipts from you where 28.67 tons of demolition debris was removed from the property. I would like to thank you for your cooperation in this matter.

Should you have questions, please contact me at (740) 380-5246.

Sincerely,

Clint Shuff, R.S.
