Dear Mr. Bolender:

On November 1, 2010, I conducted an investigation of illegal disposal of solid waste at the abandoned cement plant on Hog Run Road in Lawrence County. I was accompanied by Officer Steve Hileman of the Lawrence-Scioto Solid Waste Management District during this investigation. During this investigation, we collected waste material that originated from your residence. Specifically, discarded mail addressed to you was collected as evidence.

Please be advised that disposal of this material at this location is a violation of Ohio's open dumping law. Specifically:

**ORC 3734.03** - No person shall dispose of solid wastes by open dumping or open burning.

**OAC 3745-27-05(C)** - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734, of the Revised Code, and shall submit verification that the solid waste has been properly managed.

It is important that you contact Officer Hileman or me within seven days to avoid escalated enforcement action. Please contact me at 740/380-5219 or Officer Steve Hileman at 532-1231 to discuss this matter.

Sincerely,

Peter C. Thompson
