Dear Mr. Miller:

On November 26, 2007, the Ohio Environmental Protection Agency received a complaint concerning property owned by you along Miltonsburg-Calais Road in Monroe County. This complaint alleged the accumulation of wood waste on this property. On December 4, 2007, I investigated this complaint and found it to be valid. I observed the accumulation of saw dust on your property. Also, on this date, I met with you and discussed this situation.

You are in violation of Ohio Administrative Code (OAC) 3745-27-05(C).

OAC 3745-27-05(C) states:

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping.

Saw dust is a solid waste and therefore must be managed properly. The solid waste must be removed from the above-mentioned property and disposed of at either a licensed solid waste disposal facility or taken to a legitimate recycling facility. Copies of receipts for disposal or recycling should be submitted to this office for proof of disposal.

Please respond to this correspondence within 14 days of receipt. Your response should include details of your actions taken to properly dispose or recycle the current waste on your property.

If you have any questions, please feel free to contact me at this office. You can reach me either by mail or by calling me at (740) 380-5443.

Sincerely,

Trevor L. Irwin, R.S.
