Dear Ms. Burghy:

On October 7, 2009, the Ohio Environmental Protection Agency received a complaint concerning property located on Run Road (Twp. Rd. 141) in Monroe County. This complaint alleged the open dumping of various solid wastes on this property. On October 9, 2009, I investigated this complaint and found it to be valid. I observed the accumulation of bags of solid waste. In one of those garbage bags, I found your name and address, indicating that the solid waste on this property belonged to you.

On December 5, 2009, you left a voice message stating that you had been visiting friends in the area and this is most likely where your solid waste had come from. Please be advised that ultimately, you are responsible for your solid waste.

You remain in violation of Ohio Revised Code (ORC) chapter 3734.03 and Ohio Administrative Code (OAC) 3745-27-05(C).

ORC 3734.03 states in part:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC 3745-27-05(C) states:

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping.

The solid waste must be removed from the above-mentioned property and disposed of at either a licensed solid waste disposal facility or taken to a legitimate recycling facility. Copies of receipts for disposal or recycling should be submitted to this office for proof of disposal.
