Ms. Jeanette Stanley
Rt 2 Box 818
Malta, Ohio 43758

Dear Ms. Stanley:

I am writing regarding open dumping conditions that exist on Douda Road in Morgan County. The dumping conditions observed on Douda Road may be on a parcel of land that you own.

Ohio EPA conducted investigations at the Douda Road dump on October 3, 2006, November 8, 2006, and on January 17, 2007. During these visits, an extensive amount of solid waste including appliances, scrap tires, household waste was observed. Furniture, carpeting and demolition debris was also observed.

I am writing to request a meeting with you to determine where your property boundary is in relation to the dumping conditions on Douda Road. Ohio EPA is looking for ways to curb dumping activities at this location.

Please contact me at 740/380-5219 to discuss a meeting at the Douda Road dump site in Morgan County.

Sincerely,

Peter C. Thompson
