Dear Mr. Hamilton:

On May 8, 2009, I conducted an inspection of property that you own on State Route 669 in Morgan County. During this inspection, I observed that progress has been made to abate violations of waste disposal laws cited in previous correspondence to you.

I encourage you to continue to remove material for proper disposal. Please retain receipts to document disposal at a licensed facility.

Please be advised that violations continue at this location until all waste is removed for proper disposal. Specifically:

**OAC Rule 3745-27-05(C)** - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person(s) responsible for the open dumping, the owner of the property, or the person(s) who allow or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734. of the Revised Code, and shall submit verification that the solid waste has been properly managed.

**OAC Rule 3745-400-04(B)** - No person shall conduct or allow illegal disposal of construction and demolition debris, as defined in rule 3745-400-01 of the Administrative Code.

I would like to meet with you at your property to discuss the proper removal of material. Please contact me at 740/380-5219 to schedule a meeting at your property to discuss.

Sincerely,

Peter C. Thompson
