Mr. Ed Sanders  
9221 Epply Road  
Crooksville, Ohio 43731

Dear Mr. Sanders:

Ohio EPA has received a complaint of illegal disposal of solid waste at property you own on Epply Road in Morgan County. The complaint alleges that solid waste material is entering a nearby stream from your property. On August 13, 2009, I conducted an investigation of this complaint. I was accompanied by Steve Lowry of the Ohio EPA Southeast District Office.

During this investigation, we observed several mobile homes and other equipment on your property. Some of the mobile homes appeared to have been dismantled. We also observed some solid waste in the stream behind your property that may have originated from your property.

Please be advised that any operations that involve the demolition of mobile homes at your property must be done in accordance with Ohio law. All material must either be recycled or removed for proper disposal at a licensed disposal facility.

I would like to schedule a meeting with you to discuss your operations at your Epply Road property. Please contact me at the Ohio EPA Southeast District Office at 740/380-5219.

Sincerely,

Peter C. Thompson  
Division of Solid and Infectious Waste Management
