Dear Ms. Goodnite:

On April 4, 2007, I conducted an inspection of your property to determine your compliance with Ohio law regarding the storage of scrap tires. I observed that tires were staged near your house as you had indicated to me via a telephone message.

I am waiting to hear from Harry Smail of our scrap tire unit. He will be coordinating the removal of tires from this property. I will contact you as soon as I have some specific information for you regarding the removal of these tires.

In the meantime, feel free to contact me at 740/380-5219 if you have any questions regarding this action.

Sincerely,

Peter C. Thompson
