Sidwell Materials, Inc.

White Cottage, OH 43791

Dear Mr. Sidwell:

Please be advised that on March 3, 2009, I conducted an inspection of Sidwell Materials, Inc. Construction and Demolition Debris (C&DD) Disposal Facility (Facility). Mr. Shane Stevenson accompanied me during my inspection.

At the time of my inspection, I observed a small amount of scattered litter outside of the active licensed disposal area (ALDA). I brought this to Mr. Stevenson's attention and he assured me that appropriate efforts will be made to collect and properly dispose of this material.

All operational aspects of the Facility appeared to be in substantial compliance with OAC Rule 3745-400-11. I would like to thank Mr. Stevenson for his courteous assistance. Should you have any questions regarding this inspection, or any operational issues, please contact me at (740) 380-5408.

Sincerely,

Robert Murphy, R.S.
