Subject: Site Inspection of February 25, 2008

Dear Mr. Deeds:

On February 25, 2008, I conducted an inspection of the Tunnell Hill Reclamation C&DD Landfill, located near New Lexington in Perry County. I was accompanied by Ben Smith of the Perry County Health District on February 25, 2008. Mr. Rod Deed, site manager of the Tunnel Hill Reclamation C&DD Landfill (Facility), was present at the facility and accompanied me during this inspection.

The purpose of the inspection was to determine compliance with the Directors Final Findings and Orders (DFF&O's) issued on September 4, 2008. Order number one of the DFF&O's required that all waste from the C&DD facility be removed and deposited in the MSW facility owned by Tunnell Hill Reclamation Landfill before February 4, 2008.

The following violations were identified during these inspections:

- 1) Tunnell Hill Reclamation Landfill is in violation of order number one of the DFF&O's issued on September 4, 2008, for failure to remove all waste from the C&DD facility. All waste was to have been removed before February 4, 2008. As of February 25, 2008, waste still remained in the C&DD facility.

If you have any questions please feel free to contact me at 740-380-5435.

Sincerely,
