**RE: SCIOTO COUNTY  
SITE - GENERAL  
20070071**

Mr. Jack Cordle  
1502 Kentucky Trail Road  
Minford, Ohio 45653

Dear Mr. Cordle:

The Southeast District Office of Ohio EPA received a complaint that open dumping of solid waste is occurring off of Kentucky Trail Road, and onto the banks of the Little Scioto River in Minford, Scioto County, Ohio.

I conducted an inspection of the site on March 13, 2007, and observed solid wastes dumped at this property. Property records obtained from the Scioto County Courthouse indicate that this dump may be located on your property. As the property owner, you are responsible for the solid waste violations that exist on your property.

Open dumping and burning of solid waste is a violation of Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745-27 of the Ohio Administrative Code (OAC).

Specifically:

ORC Chapter 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC Section 3745-27-05(C) - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734, of the Revised Code, and shall submit verification that the solid waste has been properly managed.

Open dumping of solid waste must cease immediately. All solid wastes disposed at the described location must be removed from the property, and taken to a licensed solid waste disposal facility for proper disposal. Obtain copies of receipts from the landfill that received the waste and provide those copies to this District Office in order to document your compliance. Please respond to this District Office within ten days of receipt of this letter to inform me of your intentions and actions regarding the open dump.

The disposal facility located nearest to you is the Pike Sanitation Landfill at 11775 State Route 220, Waverly, Ohio. The Portsmouth Exempt Transfer Station is also located on Elm Street in Portsmouth, Ohio. You may choose to use other permitted and licensed facilities as well.

Compliance with the requirements outlined in the letter, or the solid and infectious waste provisions contained on ORC Chapter 3734 and the rules promulgated thereunder, does not relieve the owner of his or her obligation to comply with other applicable State and Federal laws and regulations.

Sincerely,
