Mr. Don Hadsell  
230 Rowe Lane  
Wheelersburg, Ohio 45694

Dear Mr. Hadsell:

The Southeast District Office of Ohio EPA received a complaint that illegal disposal of demolition debris is occurring off of Rowe Lane near Wheelersburg, Ohio. I conducted an inspection of the property on September 16, 2008, and observed that demolition debris has been dumped on this property. Information that I received from the truck driver and the Scioto County Court House indicates that this dump site is on your property.

Illegal disposal of demolition debris is a violation of Chapter 3714 of the Ohio Revised Code (ORC) and Chapter 3745-400 of the Ohio Administrative Code (OAC).

Specifically:

OAC 3745-400-04(B) - No person shall conduct or allow illegal disposal of construction and demolition debris.

Illegal disposal demolition debris must cease immediately. All demolition debris disposed at the described location must be removed from the property, and taken to a licensed solid waste disposal facility or demolition debris facility for proper disposal. Obtain copies of receipts from the landfill that received the waste and provide those copies to this District Office in order to document your compliance. Please respond to this District Office within ten days of receipt of this letter to inform me of your intentions and actions taken regarding the open dump.

The disposal facility located nearest to you is the Pike Sanitation Landfill at 11775 State Route 220, Waverly, Ohio. The Portsmouth Exempt Transfer Station is also located on Elm Street in Portsmouth, Ohio. The Rumpke Transfer Station is located off of County Road 1A in Haverhill. You may choose to use other permitted and licensed facilities as well.

Compliance with the requirements outlined in the letter, or the solid and infectious waste provisions contained on ORC Chapter 3734 and the rules promulgated thereunder, does not relieve the owner of his or her obligation to comply with other applicable State and Federal laws and regulations.
