Mr. Jerry Swords
231 Nauvoo Pond Creek Road
West Portsmouth, Ohio 45663

Dear Mr. Swords:

This Agency received a complaint that open dumping and burning of solid waste is occurring on your property located off Nauvoo Pond Creek Road. On March 10, 2010, I conducted an inspection of the property; I was accompanied by Steve Hileman, Litter Control Officer with the Lawrence and Scioto County Solid waste Management District. I observed that open dumping and burning of solid waste is occurring on your property. We met with you on this day to discuss the open dumping and burning; you stated that you would cease the dumping and burning and cleanup the property.

Open dumping of solid waste and demolition debris is a violation of Chapter 3734 and 3714 of the Ohio Revised Code (ORC) and Chapter 3745-27 of the Ohio Administrative Code (OAC).

Specifically:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734, of the Revised Code, and shall submit verification that the solid waste has been properly managed.

Open dumping and burning of solid waste must cease immediately. All solid waste disposed at the described location must be removed from the property, and taken to a licensed solid waste disposal facility for proper disposal. Obtain copies of receipts from the landfill that received the waste and provide those copies to this district office in order to document your compliance. I suggest that you obtain the services of a registered waste hauler to assist you in your waste management. Please respond to this district office within ten days of receipt of this letter to inform me of your intentions and actions taken regarding the open dump.

The disposal facility located nearest to you is the Pike Sanitation Landfill at 11775 State Route 220, Waverly, Ohio. The Portsmouth Exempt Transfer Station is also located on Elm Street in Portsmouth, Ohio. The Rumpke Transfer Station is located off County Road 1A in Haverhill. You may choose to use other permitted and licensed facilities as well.

Compliance with the requirements outlined in the letter, or the solid and infectious waste provisions contained on ORC Chapter 3734 and the rules promulgated thereunder, does not relieve the owner of his or her obligation to comply with other applicable State and Federal laws and regulations.

Should you have questions, please contact me at 740-380-5246.

Sincerely,

Clint Shuff, P.S.
Environmental Specialist
Division of Solid and Infectious Waste Management
