Vincent, Ohio 45784

Dear Mr. McAfee:

On March 31, 2006, the Ohio Environmental Protection Agency received a complaint concerning property owned by you on Tick Ridge Road in Washington County. This complaint alleged the open dumping of various solid wastes on this property. On April 3, 2006, I investigated this complaint and found it to be valid. I observed the accumulation of solid waste, appliances, automobile parts and scrap tires on this property.

You have made an effort to remove solid waste from your property; however, I cannot return you to compliance at this time.

You remain in violation of Ohio Revised Code (ORC) chapter 3734.03 and Ohio Administrative Code (OAC) 3745-27-05(C).

ORC 3734.03 states in part:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC 3745-27-05(C) states:

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping.

The solid waste must be removed from the above-mentioned property and disposed of at either a licensed solid waste disposal facility or taken to a legitimate recycling facility. Copies of receipts for disposal or recycling should be submitted to this office for proof of disposal.

Please respond to this correspondence within 14 days of receipt. Your response should include details of your actions taken to properly dispose or recycle the current waste on your property.

If you have any questions, please feel free to contact me at this office. You can reach me either by mail or by calling me at (740) 380-5443.

Sincerely,

Trevor L. Irwin, R.S.
