Dear Mr. Long:

Recently, the Ohio Environmental Protection Agency received a complaint concerning property owned by you on Dixon Ridge Road in Washington County. This complaint alleged the open dumping and open burning of various solid wastes on this property, located at 4736 Dixon Ridge Road. On December 3, 2009, I determined that this complaint was valid. Solid waste has been dumped in a pit near a mobile home on your property.

Please be advised that you are in violation of Ohio Revised Code (ORC) chapter 3734.03 and Ohio Administrative Code (OAC) 3745-27-05(C).

ORC 3734.03 states in part:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC 3745-27-05(C) states:

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping.

The solid waste must be removed from the above-mentioned property and disposed of at either a licensed solid waste disposal facility or taken to a legitimate recycling facility. Copies of receipts for disposal or recycling should be submitted to this office for proof of disposal.

Please respond to this correspondence within 14 days of receipt. Your response should include details of your actions taken to properly dispose or recycle the current waste on your property. Records in this office indicate that you were previously notified about this violation in May 2009. Based on my findings, failure to properly correct this situation may lead to an escalated enforcement action which may result in penalties being assessed for non-compliance.

If you have any questions, please feel free to contact me at this office at (740) 380-5439.

Sincerely,

P. Joe Holland, R.S.
