Dear Mr. Raymond:

On May 4, 2009, the Ohio Environmental Protection Agency received a complaint concerning property owned by you on Dixon Ridge Road in Washington County. This complaint alleged the open dumping and open burning of various solid wastes on this property, located at 4736 Dixon Ridge Road. On May 7, 2009, I investigated this complaint and found it to be valid. I observed the accumulation of solid waste in a pit near a mobile home on your property..

You are in violation of Ohio Revised Code (ORC) chapter 3734.03 and Ohio Administrative Code (OAC) 3745-27-05(C).

ORC 3734.03 states in part:

OAC 3745-27-05(C) states:

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping.

The solid waste must be removed from the above-mentioned property and disposed of at either a licensed solid waste disposal facility or taken to a legitimate recycling facility. Copies of receipts for disposal or recycling should be submitted to this office for proof of disposal.

Please respond to this correspondence within 14 days of receipt. Your response should include details of your actions taken to properly dispose or recycle the current waste on your property.
