**Re: Construction Storm Water Inspection at Zumstein Property North and South /  
Delaware County  
Permit Number: 4GC03539 \*AG**

Dear Mr. Geiger:

This letter is written regarding a storm water inspection I conducted of the Zumstein Property in Westerville, Ohio on September 28, 2011. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit associated with Construction Activities. During the inspection, our staff noted the following issues associated with construction activities at this site:

**Sediment and Erosion Control:**

- After conducting the inspection, it appears that all sediment and erosion controls are functioning properly and meeting the General Permit requirements.

If you have any question regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844 or email at [harry.kallipolitis@epa.state.oh.us](mailto:harry.kallipolitis@epa.state.oh.us). A follow-up inspection will be conducted to ensure the conditions of the General Permit are met.

Sincerely,

Harry Kallipolitis  
Storm Water Coordinator  
Division of Surface Water  
Central District Office
