**Re: Storm Water Inspection at Tri-Modal Service Inc. / Franklin County  
Permit Number: 4GRN00379\*DG**

Dear Mr. Scarberry:

This letter is written in follow-up to an industrial storm water inspection I conducted at Tri-Modal Service Inc. located on Walcutt Road in Columbus, Ohio on September 13, 2011. The purpose of the inspection was to validate your No-Exposure Certification associated with this site.

The No-Exposure Certification was evaluated to determine if there are any exposed materials or processes which may contaminate storm water which would invalidate the certification as filed. Based on my site evaluation, there are no operations or materials exposed to storm water which would invalidate this certification.

Please understand the No-Exposure Exemption must be filed every five years to reflect any changes at this facility.

If you have any question regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844 or email at [harry.kallipolitis@epa.state.oh.us](mailto:harry.kallipolitis@epa.state.oh.us).

Sincerely,

Harry Kallipolitis
