Dear Mr. Witman:

I received a response from your consultant Lawhon & Associates, to my October 22, 2007 Notice of Violation (NOV) letter on November 14, 2007. The documentation submitted included analytical results for the floor sweepings.

My review of this documentation reveals that Simonds Industries has now abated all violations discovered during the August 13, 2007 site visit.

If you have any questions regarding this letter, please call me at (740) 380-5256.

Sincerely,

Melody Stewart
