**RE: Vexor Technology, Inc. – Medina, Ohio  
Financial Record Review – Return to Compliance  
OHD 077 772 895**

Dear Mr. Chervenak:

On November 21, 2011, I conducted a financial record review of documentation on file for the VEXOR Technology, Inc. (VEXOR), Medina, Ohio facility. I evaluated the facility for compliance with the closure financial assurance, closure cost estimates, and liability requirements as set forth in Ohio Administrative Code (OAC) rules 3745-55-42 through 3745-55-47 in accordance with the Director's Final Findings and Orders entered into between Ohio EPA and VEXOR on June 15, 2011.

On June 15, 2011, Ohio EPA approved your Closure Plan of the storage area for off-specification containers. The closure cost estimate was contained in the approved plan, showing total closure costs in the amount of \$3,267.00.

To demonstrate financial assurance for closure, a trust agreement is used. The trust agreement was entered into October 31, 2011 by and between VEXOR and Premier Bank & Trust, a national bank. An initial FDIC insured bank deposit of \$3,267.00 was used to establish the Fund.

To demonstrate third-party liability coverage, a Hazardous Waste Facility Certificate of Liability Insurance, with Chartis Specialty Insurance Company (CSIC) was provided, effective June 18, 2011. The CSIC policy, No. EG 19610498, satisfies the third-party liability requirements for sudden accidental occurrences. The limits of liability are \$1,000,000 per occurrence and \$2,000,000 in the aggregate, exclusive of legal defense costs.
