Financial Record Review
Notice of Violation**

Dear Mr. Simmons:

On January 12, 2012, I completed a review of the financial assurance documentation on file for the RANCO Incorporated's (RANCO) Ohio facilities referenced above. I evaluated the facilities for compliance with post-closure requirements set forth in the Ohio Administrative Code (OAC) rules 3745-55-44 and 3745-55-45.

To demonstrate compliance with post-closure rules, RANCO uses a corporate guarantee supplied by Siebe Inc. The most recent financial assurance documentation received by the Ohio EPA includes:

- A corporate guarantee from Siebe Inc. for \$1,405,000 dated August 12, 2010 and
- A post-closure cost estimate, dated August 12, 2009, for the Delaware facility (\$514,000) and the Plain City facility (\$891,000).

Please note: Siebe Inc.'s fiscal year ends on March 31, therefore your financial assurance submittal was due by June 29, 2011.

Based upon review of the documentation noted above, RANCO Incorporated/Siebe Inc. is/are in violation of the following Ohio financial assurance requirement:

- **OAC 3745-55-45(A): Failure to provide financial assurance for post-closure.**

To abate this violation RANCO Incorporate/Siebe Inc. must submit financial assurance equal to the post-closure cost estimate immediately upon receipt of this letter.
