**RE: PARMA BOARD OF EDUCATION; CUYAHOGA COUNTY
VALLEY FORGE HIGH SCHOOL; OHR 000116525; RETURN TO COMPLIANCE**

Dear Ms. Mayse:

Thank you for your March 11, 2011 response to Ohio EPA's February 8, 2011 letter. The documentation you submitted included the corrected manifest, 006693590JJK dated September 9, 2010. This document was required in order to return Parma Board of Education to compliance with Violation #6, OAC rule 3745-52-20(A)(1) Manifest Completion.

My review of the documentation reveals that Parma Board of Education has now abated all violations discovered during my inspections of the seven facilities in the Parma School District.

If you have questions with regard to this letter, feel free to contact me at (330) 963.1279, or via e-mail at patricia.natali@epa.state.oh.us.

Sincerely,

Patricia M. Natali
Environmental Specialist
Division of Hazardous Waste Management
