**Re: Lake City Ventures LLC
Used Oil Inspection
Franklin County
Return to Compliance**

Dear Mr. Farah:

Thank you for your assistance during the return to compliance (RTC) inspection on December 17, 2009. The RTC inspection was conducted in response to Ohio EPA's November 05, 2009 Notice of Violation letter. I assisted you in labeling the 200 gallon container with the words "Used Oil" and your staff conducted a cleanup of the oil absorbent and applied fresh absorbent to the stained area of concrete. Therefore Lake City Ventures, LLC has now abated all violations discovered during the November 02, 2009 inspection as listed below.

Letter Citation #	Rule Citation
1	OAC Rule 3745-279-22 (D), Used oil spill clean up.
2.	OAC Rule 3745-279-22 (C), Label used oil containers with the word "Used Oil".
