Dear Mr. Lind:

Thank you for your October 31, 2007, response to Ohio EPA's September 4, 2007, Notice of Violation Letter. The documentation you submitted included a description of activities conducted to remedy the violation noted during the complaint investigation of Lifestyle Communities on Thompson Road in Columbus, Ohio. Also included was an invoice documenting the disposal of the contaminated soil.

My review of this documentation reveals that Lifestyle Communities has now abated the violation discovered during the March 17, 2005, complaint investigation as listed below.

Surface Impoundment Prohibition and Response to Releases, OAC Rules 3745-279-12(A), 3745-279-22(D), and 3745-279-30(B)

Thank you for your efforts to resolve this matter. Please note that Elizabeth Lamerson is no longer employed at Ohio EPA. Should you have any questions, please feel free to call me at (614) 728-3878.

Sincerely,

Steven A. Rath P.E.
