**Re: Return To Compliance: N.T.B, Inc.  
Franklin County**

Dear Mr. Allen:

Thank you and your staff for your help during my follow-up visit to your facility at 150 E. Long St. on August 13, 2010. I was able to verify corrections were made for:

- **Used Oil Container Marking, OAC rule 3745-279-22(C):** Two used oil caddy containers that remain in service at your shop, have now been properly marked.

The violation which had been noted during my inspection on November 23, 2009, as previously described in a Notice of Violation letter dated December 4, 2009, has now been resolved.

If you have any questions about hazardous waste compliance matters now or in the future, do not hesitate to contact me by phone at (614) 728-3885 or by email at [david.hohmann@epa.ohio.gov](mailto:david.hohmann@epa.ohio.gov).

Sincerely,

J. David Hohmann  
Environmental Specialist
