Dear Mr. Collins:

On May 31, 2007, I conducted an inspection of your 311 S. Mulberry St. facility in Columbus, Ohio to determine its compliance with Ohio's hazardous waste laws and Used Oil Rules as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC). I sent you a Notice of Violation (NOV) letter on June 19th, 2007 specifying the violations observed during the inspection. I returned to the facility on February 7, 2008 to do a facility walk through.

Upon completing this walk through you have demonstrated sufficient abatement of all violations discovered during our May 31, 2007, inspection.
