Dear Ms. Sevy:

Thank you for your October 5, 2011 response to Ohio EPA's September 29, 2011 Notice of Violation letter. The documentation you submitted included an exception report for a rail car shipment to Essroc, as well as information about updating facility diagrams and inspecting Clean Harbors' bar code labels.

My review of this documentation reveals that Clean Harbors Recycling Services of Ohio, LLC has now abated all violations discovered during the September 20, 2011 inspection as listed below.
