Dear Ms. Van Pelt:

I have received your October 6, 2011 letter which responded to my August 30, 2011 inspection of Crestview Auto Body located at 3696 State Route 7, New Waterford, Ohio. As outlined below, you have corrected all of the violations and concerns found during that inspection.

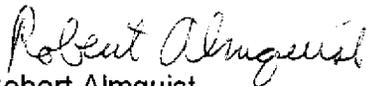

OAC Rule 3745-279-22(C) - Used oil labels.

This violation was corrected during the inspection.

In your letter dated October 6, 2011, you also described the cleanup of the former burn area. You also sent me photos of the area after it had been cleaned up. Darren Machuga of our Division of Air Pollution Control has told you that it is not permitted to burn cardboard.

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.state.oh.us.

Sincerely,

Robert Almquist
Division of Materials and Waste Management
