Cleveland Heights, Ohio 44118

Dear Mr. Bell:

Thank you for your October 7, 2011 response to Ohio EPA's May 7, 2011 Notice of Violation letter. The documentation you submitted included your statement that Lusty Wrench will recycle, rather than dispose of as solid waste, universal waste lamps and batteries generated by your facility. In addition, you indicated that the containers accumulating used oil have been properly labeled "used oil."

My review of this documentation reveals that Lusty Wrench has now abated all violations discovered during the April 29, 2011 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation
2.	OAC Rule 3745-279-22 (C), Used Oil Labeling

Should you have any questions, please feel free to call me at (330) 963-1231.

Sincerely,

Tom Roth
District Representative
Division of Materials and Waste Management
