Mr. Patrick Briggs
Formetal, Inc.
P.O. Box 416
Oak Harbor, Ohio 43449

Dear Mr. Briggs:

On March 12, 2008, Ohio EPA conducted a site visit to ensure all violations were abated from Ohio EPA's Notice of Violation (NOV) letter dated February 3, 2005. Foremetal is storing fluorescent bulbs as universal waste and sending them to Environmental Recycling for proper disposal.

This documentation reviewed during your follow-up inspection demonstrates that Formetal has adequately abated all violations discovered during Ohio EPA's January 27, 2005, compliance evaluation inspection.

If you should have any questions, please feel free to call me at (419) 373-3058.

Sincerely,

Amy Heller
Division of Hazardous Waste Management
