Mr. Jim Johnson, Facilities Manager
NAMS
6750 Wales Road
Northwood, Ohio 43619

Dear Mr. Johnson:

Thank you for your April 24, 2009, response to Ohio EPA's March 24, 2009, Notice of Violation letter. You submitted documentation including photographs of properly closed, labeled and dated containers of universal waste lamps and batteries, a description of the training you provided for employees regarding universal waste lamp and battery management and a properly labeled container of used oil.

My review of this documentation reveals that NAMS has adequately demonstrated abatement of the violations discovered during my March 4, 2009, inspection.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North
District Representative
Division of Hazardous Waste Management
