Re: Hobart Brothers Compliance Evaluation Inspection

Dear Mr. Buck:

Thank you for your responses to Ohio EPA's June 29, 2011 Notice of Violation letter. These responses included e-mails on August 12, 2011 and September 22, 2011. The documentation you submitted included a new hazardous waste contingency plan, employee training signature sheets, photographs and several hazardous waste manifests. Ohio EPA also conducted a site visit on August 31, 2011.

Based on the submitted documentation and the site visit Hobart Brothers has abated all violations discovered during the June 1, 2011 inspection.

Should you have any questions, please feel free to contact me at (937) 285-6070 or via e-mail: jeff.smith@epa.state.oh.us.

Sincerely,

Jeff Smith
District Representative
Division of Materials and Waste Management
