**RE: SPRING GROVE RESOURCE RECOVERY – OHD000816629  
Return to Compliance**

Dear Mr. Bley:

On February 4, 2011, Ohio EPA issued a notice of violation letter to Spring Grove Resource Recovery (SGRR) for the violations determined as a result of the December 12, 2010, non-compliance event. The abatement of these violations cannot practically occur; therefore the following violations stemming from the December 12, 2010, non-compliance event are resolved.

1. **Ohio Revised Code (ORC) 3734.02 (F)**
2. **Duty to Comply, Condition A.5 and Ohio Administrative Code (OAC) 3745-50-58(A)**
3. **Design, Maintenance and Operation of Facility, Condition B.1 and Ohio Administrative Code (OAC) 3745-54-31**
4. **General Waste Analysis Plan, Condition B.3 and OAC 3745-54-13**
5. **Personnel Training, Condition B.6 and OAC 3745-54-16**
6. **Manifest System, Condition B.24 and OAC 3745-54-76, Unmanifested Waste Report**
7. **General Requirements for Land Disposal Restrictions, Condition B.40 and OAC 3745-270**

Please be aware, as a result of the August 19, 2011, inspection, SGRR was cited for violations #2 and #4 above. While these violations will be abated for the December 12, 2010, incident, they will

remain open from the August 19, 2011, inspection until SGRR provides proper documentation to abate the latest violations. Should you have any questions, please call me at (937) 285-6093.
