Dear Mr. Steinberg:

Beaver Creek Estates is in violation of Ohio Administrative Code (OAC) 3745-81-42 for failure to comply with the Ground Water Rule monitoring requirements.

<b>Monitoring Period:</b>	January 2012
<b>Required Monitoring:</b>	1
<b>Sample Results Submitted:</b>	None

- To address the violation, return to compliance, and prevent federal enforcement action the required source water samples must be collected. - Notify the people served by this water system** using one or more of the methods and the timing as required by OAC, Rule 3745-81-32 to reach all persons served.

**Timing:** As soon as practical, but no later than one year after learning of the violation:

- Mail or other direct delivery to each customer; OR
- Annual Consumer Confidence Report provided it's distributed within one year after learning of the violation; and
- If necessary to reach all persons regularly served, use other notification methods such as newspaper publication, public posting or Internet posting;
