Subject: Rescinded violation letter issued November 16, 2011

On November 16, 2011, I sent you a letter for failure to comply with the total coliform monitoring for the third quarter of 2011.

Please note we have received the required sample result that was collected during this monitoring period. Therefore, the monitoring violation noticed above is rescinded.

By way of explanation, the laboratory sent the result in a timely manner, but there was a computer problem on our end and the sample result was not initially loaded into our program.

If you have any questions, please contact me at 937-285-6446.

Sincerely,

Kathy Lee Fox
Environmental Specialist
