Subject: Failure to Conduct Required Repeat Total Coliform and Ground Water Rule Monitoring (Rescinded)

On January 4, 2012 I sent you a letter for failure to comply with repeat and ground water rule sampling required as a result of a total coliform positive sample collected December 7, 2011.

Please note we have received the required repeat and ground water rule sample results that were collected as required. Therefore, the monitoring violation referenced above is rescinded.

If you have any questions, please contact me at 937-285-6476.

Sincerely,

Robert A. Moore
Environmental Specialist
