Dear Ms. Smail:

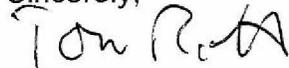

Thank you for your December 20, 2011 (dated December 19, 2011) response to Ohio EPA's November 23, 2011 Notice of Violation letter. The documentation you submitted included the statement that Sperry & Rice will be managing its used lamps as universal waste and recycling them through an approved lamp recycler (Safety-Kleen Systems) no less than once per year.

My review of this documentation reveals that Sperry & Rice has now abated the violation discovered during the November 15, 2011 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation

Should you have any questions, please feel free to call me at (330) 963-1231.

Sincerely,

Tom Roth
District Representative
Division of Materials and Waste Management
