Dear Mr. Harshbarger:

Thank you for your December 9, 2011 response (dated December 7, 2011) to Ohio EPA's November 14, 2011 Notice of Violation letter. The documentation you submitted included the statement that Western Reserve Sleeve has chosen to manage used lamps through recycling and will ship used lamps annually.

My review of this documentation reveals that Western Reserve Sleeve has now abated the violation discovered during the October 28, 2011 inspection as listed below.
