Dear Mr. McVicker:

Thank you for your November 11, 2011 response to Ohio EPA's October 13, 2011 Notice of Violation letter. The documentation you submitted included a statement indicating that RPI has chosen to manage the facility's waste lamps as universal waste and to recycle these lamps at an approved lamp recycler.

My review of this documentation reveals that RPI of Indiana has now abated the violation discovered during the September 30, 2011 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation

Should you have any questions, please feel free to contact me at (330) 963-1231.
