RETURN TO COMPLIANCE

Michele Van Pelt
Crestview Auto Body
3696 State Route 7
New Waterford, OH 44445.

Dear Ms. Van Pelt:

On November 22, 2011, I received a copy of a manifest for the shipment of the drum of waste thinner which had been stored outside. This showed the shipment of 310 pounds of hazardous waste paint related materials shipped to Safety-Kleen in Smithfield, Kentucky on November 9, 2011. This documents the correction of the following violation found during my September 21, 2011, inspection of Crestview Auto Body located at 100 Continental Dr., Salem, Ohio:

1. **OAC Rule 3745-52-11 – Hazardous waste determination.**

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.state.oh.us.

Sincerely,

Robert Almquist
Division of Materials and Waste Management
