**NOTICE OF VIOLATION**

Dear Ms. Lieurance:

You are hereby notified that the Ohio Environmental Protection Agency (Ohio EPA) finds you to be in violation of state and federal regulations as they relate to demolition procedures for asbestos emission control as well as Ohio's open burning and solid waste regulations. In response to a complaint filed with the agency, it was determined that you allowed the demolition and intentional burning of a mobile home located on property owned by you at or near 6410 East State Route 22 and 3, Richland Township, Ohio.

The violations you have committed include, but are not limited to the following:

- The open burning of solid wastes, including solid wastes made from petroleum products including plastics, vehicle tires, electrical boxes and wire insulation.
- The open burning of demolition debris, including vinyl siding.

The above identified activities are in violation of Ohio Administrative Code (OAC) rule 3745-19-04, *Open burning in unrestricted areas*, and Ohio Revised Code (ORC) Section 3704.03. In addition, the open burning of solid waste is in violation of OAC rule 3745-27-05(B) and ORC Section 3734.03, and the open burning of demolition debris is in violation of OAC rule 3745-400-04 and ORC Section 3714.02.

**You must cease all illegal open burning.**

Please be aware that failure to comply with the above mentioned rules and/or any future violations of the OAC air pollution and solid waste disposal rules may result in enforcement action. The Ohio EPA reserves the right, pursuant to Chapters 3704, 3714, 3734, 3745, and 3750 of the Ohio Revised Code and any other applicable
