Mr. Ralph Martin
Village Administrator
Village of Amanda
P.O. Box 250
Amanda, OH 43102

Subject: Notice of Violation for Operational Requirements & Operator Certification Rule

Dear Mr. Martin:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(1)(2), public water systems are required to submit monthly operational reports (MORs) to Ohio EPA Division of Drinking and Ground Waters by the tenth of the month following the reporting month. This report is **required to be signed** by an Operator of Record for the water system. The Village of Amanda is in violation of OAC 3745-83-01, because the September and October, 2008 MOR was not signed by the Operator of Record, William J. Eitel.

Please submit the enclosed *Operator of Record Notification* form immediately to Ohio EPA along with a copy of the signed contract between you and the certified operator.

If you have any questions, please call me at (614) 728-3866.

Sincerely,

Susan Applegate
