**Subject: Notice of Violation for Operational Requirements & Operator
Certification Rule**

Dear Mr. Croston:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(1)(2), public water systems are required to submit monthly operational reports to Ohio EPA Division of Drinking and Ground Waters by the tenth of the month following the reporting month and that the reports be signed by the Operator of Record.

Our records indicate that for EL Rancho Mobile Home Park (ERMHP) the July 2009 monthly operating report was not signed by the operator of record resulting in violation of the OAC 3745-83-01(1)(2).

If you have any questions regarding this letter, or any other matter involving your water system, please feel free to contact me at (614) 728-3869 or via email at jose.quinones@epa.state.oh.us

Sincerely,

José R. Quiñones, P.E.
