Radcliff, OH 45695**Re: Notice of Violation for Operational Requirements & Operator Certification Rule**

Dear Mr. Croston:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(I)(2), public water systems are required to submit monthly operational reports to Ohio EPA Division of Drinking and Ground Waters by the tenth of the month following the reporting month and that the reports be signed by the Operator of Record.

Our records indicate that El Rancho Mobile Home Park (ERMHP)'s monthly operating report for the month of August 2008 was not received until September 26, 2008, instead of September 10<sup>th</sup>. The report was also not signed by the operator of record. This represents a violation of the above rule.

Please complete the attached "Operator of Record Notification" form and mail it back to the attention of Mr. Dave Evans at:

Ohio Environmental Protection Agency  
Division of Drinking and Ground Waters  
Operator Certification Unit  
50 West Town Street, Suite 700  
P.O. Box 1049  
Columbus, OH 43216-1049

Please ensure that your monthly operating reports are received by this office by the 10<sup>th</sup> of the following month for which the report is due and the report signed by the operator of record.

Ted Strickland, Governor  
Lee Fisher, Lieutenant Governor  
Chris Korleski, Director

You are required to submit the *Operator of Record Notification* form immediately to Ohio EPA along with a copy of the signed contract between you and a certified operator. If you continue being noncompliant with these rules, your water system will be referred for enforcement.

If you have any questions regarding this letter, or any other matter involving your water system, please feel free to contact me at (614) 728-3869 or via email at [jose.quinones@epa.state.oh.us](mailto:jose.quinones@epa.state.oh.us)

Sincerely,
